Arc Sofa

This chic sofa, reminiscent of the 1960’s, has elegant lines with gracious curves. The brass feet add to its sophistication with their delicate design. It will surely be the focal point of any room. The kidney shape of the sofa provides plenty of comfortable seating yet its compact design doesn’t over power the room; however, it speaks loudly in the room’s décor. The sofa being created to your specifications and is sold COM (Customers Own Material.)
